LEAK RESISTANT!
SLIP RESISTANT!

PREMIUM LEAKPROOF DROPCLOTH

225% more slip resistant and 20% more drapable than 10oz canvas, the Eliminator gives you leakproof protection that stays put where you place it. Make sure to use the coated side down. Professional grade, crack-resistant butyl works well in hot or cold temperatures, never sticking or cracking. Reduce messy clean ups by protecting your jobsite with the Eliminator.
